# Conant Avenue United Methodist Church Newsletter

## The Pastor's Pen

Greetings Friends,

As we near the end of summer, it seems as if summer does not want to let us go! But I will cherish these last days of warmth as I anticipate winter's freezing temperatures.

"Porch Visits," a time for you to personally introduce yourselves to me, and I to you, have begun. I hope to capture something about your dreams for Conant's future, as well as how you have offered your service to the church and its mission in the past. Actually, we can talk about anything you wish. I will do the listening, and you will do the talking...I promise! I have already learned so much about the church. I did not know that Conant produced so many "famous" folks.

The goal is to gather as much information as I can from you, and about you and the community, to prayerfully present it to God, and ask for God's direction and vision as we enter a new season at Conant Avenue UMC.

I look forward to hearing more of your wonderful stories of how God has blessed Conant in the past, and your dreams for the future.

To God be the glory for all the things He has done, continues to do, and will do in Jesus' name! Amen

Pastor Audrey
